June 20, 2022  
Persivia Inc.  
Persivia Platform 4.0

To Drummond Group:

The Mandatory Disclosure statement of costs and any additional transparency information for our certified product(s) is attached to this letter and will be posted along with the required product information on our website here:

<https://persivia.com/solutions/mips-macra>

We agree to notify Drummond Group of any and all future changes to our transparency and disclosures language for this certified product-version.

We understand and agree that the ONC Health IT Certification Program Final Rule statement gives Drummond Group, as an ONC-ACB, the sole responsibility for ensuring compliance and determining appropriate consequences if EHR technology developers fail to divulge accurate transparency and disclosures information.

We understand and agree that we will provide to Drummond Group copies of or give access to any and all websites, marketing materials, communication statements, and other assertions made by your organization regarding the ONC certification status of this product in a reasonable time to ensure the transparency and disclosures information is being accurately disclosed.

Sincerely,

A handwritten signature in black ink that reads "Amol Sawant".

Capability	Description of Capability	<b>Costs or Fees</b> <i>Types of costs or fees that a user may be required to pay to purchase, license, implement, maintain, upgrade, use, or otherwise enable and support the use of the implementation or use of the capability -OR- in connection with the data generated in the course using the capability</i>
<p>The certified product – Persivia Platform 4.0 will have capability to have user login and check their eCQM measure performance that they selected to report to CMS. It will also generate required output file for CMS.</p> <p>Associated Certification Criteria:</p> <ul style="list-style-type: none"> <li>• C.1 – Clinical Quality Measures – Record &amp; Export</li> <li>• C.2- Clinical Quality Measures – import and calculate</li> <li>• C.3 – Reserved for Clinical Quality Measures – report</li> <li>• D.1 – Authentication, Access Control, Authorization</li> <li>• D.2 – Auditable Events and Tamper Resistant</li> <li>• D.3 – Audit Report(s)</li> <li>• D.5 – Automatic Access Time-Out</li> <li>• D.12 - Encrypt Authentication Credentials</li> <li>• D.13 - Multi-Factor Authentication (MFA)</li> <li>• G.4 – Quality Management System</li> <li>• G.5 – Accessibility – Centered Design</li> </ul>	<p>The certified product – Persivia Platform 4.0 will have capability to have user login – User able to login to the Persivia quality portal to check the performance of measures. Once user has signed off on their reports, Persivia will generate QRDA files to submit to CMS.</p>	<p>The certified product – Persivia Platform 4.0 may require additional costs/fees for Implementation, data transformation and data cleanup. Implementation and data cleanup cost is a one-time fee unless the product version from which Persivia receives data changes significantly. The data transformation cost is per program year and is dependent on number of measures that have significantly changed from the previous program year. No additional software must be purchased that is not included in the initial purchase of the Persivia products. Persivia products use Software as a Service (SAAS) based solution. Our pricing is based on the number of users and number of measures.</p>
